

2026 ESA Easterns® Invitation List

Please check this 2026 ESA Easterns® Invitation List to see if you earned a slot, or must apply for an alternate slot to the 2026 Easterns®. Alternate slots will only be available if any of the slotted competitors pass on their invitations. Competitors signing up for the 2026 Easterns® are only eligible for those divisions in which they competed at the 2026 Northeast Regionals, 2026 Mid-Atlantic Regionals or the 2026 Southeast Regionals.

All 2026 ESA Regional competitors that have highlighted backgrounds (Green, Yellow or Orange) in the chart below have earned a slot to the 2026 Easterns® provided they register on LiveHeats by the entry deadline of 11:59pm on August 24, 2026. If you register after that date, your registration will be considered a late-paid alternate and you will lose your slot and be put on the alternate list.

Alternates who sign-up before the entry deadline will be considered for any open slots in the order of their Regional ranking. Alternates or late-paid alternates who register after the entry deadline will be considered for any remaining open slots in the order of their registration on LiveHeats. Any competitor applying for entry whose membership expires on or before September 30, 2026 must also renew their membership on LiveHeats before registering for the event.

Invitations for the 2026 Easterns® are determined first by Regional membership size in each division, then by a competitor's 2026 Regional ranking in that division.
