

ESA 2022 EASTERNS SLOTS

Below is a list of competitors registered for each 2022 ESA Easterns division and their current slot status.

Updated September 10, 2022

1. **Slotted** - Earned a slot through the ESA 2022 Regionals.
2. **Alternate Slotted** - Alternates who have already received a slot.
3. **Alternate** - Alternates registered and waiting for a slot to open if another competitor withdraws or is a no show. Alternates will be slotted on a rotating basis determined first by Region Division Size, then by Regional Ranking. If two or more alternate competitors from the same Region have equal rankings, then District ranking will determine the alternate slotting order.
4. **Late-Paid Alternates** - May sign up for any remaining Open Slots after all Alternates have been slotted.
