

ESA 2023 EASTERNS SLOTS

Below is a list of competitors registered for each 2023 ESA Easterns division and their current slot status.

1. **Slotted** - Earned a slot through the ESA 2023 Regionals.
2. **Alternate Slotted** - Alternates who have already received a slot.
3. **Alternate Wait** - Alternates registered and waiting for a slot to open if another competitor withdraws or is a no show. Alternates will be slotted on a rotating basis determined first by Region Division Size, then by Regional Ranking. If two or more alternate competitors from the same Region have equal rankings, then District points will determine the alternate slotting order.
4. **Late-Paid Alternates** - May sign up for any remaining Open Slots after all Alternates have been slotted.
